

MASTERCLASS

RON HOWARD

TEACHES DIRECTING

INTRODUCTION

ABOUT THIS WORKBOOK

The MasterClass team has created this workbook as a supplement to Ron's class. Chapters are supported with a review, opportunities to learn more, and assignments. We recommend dedicating a notebook to your course work.

MASTERCLASS COMMUNITY

Throughout, we'll encourage you to discuss elements of the class and share work with your classmates in [The Hub](#). You can also connect with your peers in the discussion section beneath each lesson video.

ABOUT

RON HOWARD

Ron Howard is a legend on both sides of the camera. As a child, his portrayal of Opie in *The Andy Griffith Show* and Richie Cunningham in *Happy Days* launched him into every living room in America. After leaving acting to direct, Ron developed an extensive directorial résumé which includes *Cocoon*, *Splash*, *Parenthood*, *Apollo 13*, *A Beautiful Mind*, *Frost/Nixon*, *Solo: A Star Wars Story*, and the beloved TV series *Arrested Development*. In addition to being a box office blockbuster, he is a two-time Academy Award-winning director.

"I have endeavored my whole life, to try to demystify the process of directing. If you start to look at it piece by piece, scene by scene, sequence by sequence... it is a lot less mysterious. Because these stories, they are mosaics. And the more you understand that, the more exciting it is."
